Re: Request for an Extension of the Briefing Schedule; TCEQ Docket No. 2009-0032-AIR; SOAH Docket No. 582-09-2045; Application of IPA Coletto Creek LLC for State Air Quality Permits 83778, PSD-TX-1118 and HAP-18.

Dear General Counsel Trobman:

The Sierra Club and the Environmental Defense Fund respectfully request an extension of the briefing schedule in this matter. A Proposal for Decision issued in this matter on or around February 10th, and we intend to file exceptions and replies to exceptions. However, lead counsel for Sierra Club and Environmental Defense Fund are currently in a SOAH hearing on another matter until February 19, 2010, and therefore will not have adequate time to thoroughly review the PFD and prepare exceptions.

Therefore, we respectfully request a one-week extension of the deadlines for both the exceptions and the reply to exceptions. A one-week extension would make exceptions to the PFD due on March 8, 2010, and replies to exceptions due on March 18, 2010.

Extending the deadlines by one-week would not prejudice any party or cause undue delay.

Thank you for considering this request.

Respectfully,
